RE: Year End Report (7/1/99-12/31/99)

Dear Mr. Ball:

This letter is in response to your request for additional information dated May 23, 2000.

Attached, please find a revised Schedule A itemization for line 11(c). All committee names and acronyms have been checked against the FEC web site.

Please note that a computer error led to the improper itemization of \$700 in individual contributions in our original report. This problem has been rectified, reflected by a shift of \$700 from line 11(a)(i) to 11(a)(ii) on the Detailed Summary Page.

Thank you for your attention to this matter.

Sincerely,

Alexander Bass
Treasurer
